

Hostel Rules (July 2025)

Version - 6

The objective of the Hostel Rules is to provide a suitable environment for all residents so as to achieve academic excellence and to become responsible human beings. Hence it is important that everyone goes through the rules carefully and follows them. All residents are expected to co-operate with the hostel administration and Security in implementing these rules.

1. General Information

- 1.1. All registered full-time students of IIIT-H are eligible for hostel accommodation subject to conditions mentioned in the Annexure1. They are required to pay hostel fees regularly at the beginning of each semester as notified by IIITH administration. Unregistered students of IIITH are not eligible for hostel accommodation, unless otherwise approved by the Wardens and Faculty Advisors, for a specified and short period, on a case-to-case basis subject to availability.
- 1.2. Administration and supervision of all the hostels rests with the Director. The Wardens, In-charges and other administrative staff help the Director in governing the day-to-day activities of the hostels.
- 1.3. Each hostel is under the supervision of Hostel Warden(s), assisted by the hostel In-charge/s in managing day-to-day matters.
- 1.4. A Hostel Committee (consisting of residents) is constituted for every hostel. The Hostel Committee participates and assists in handling general matters related to hostel affairs.
- 1.5. In case of any hostel-related problems, a resident should first approach the hostel In-charge. If the problem is not resolved in a reasonable time, a resident may approach the Hostel Wardens. If it still does not get resolved, one may approach the Chair, Council of Wardens.
- 1.6. Violation of hostels rules will result in appropriate disciplinary action, including eviction from the hostel.

2. Hostel Occupancy

- 2.1. Every hostel resident, at the time of occupancy, is required to sign in the Hostel Occupancy Register which is available with the security of respective hostels. Similarly, at the time of vacating the hostel (during vacation or on completion of the academic program), they should sign in the respective Hostel Occupancy Register.
- 2.2. A room is considered to be occupied by the student if it is allotted to them and they have taken possession of it. Room/Hostel change is permitted once a year, typically during summer vacation. Once a room is allotted, the student should not change/exchange the allotted room without permission of the hostel administration.
- 2.3. The Institute reserves the right to shift any resident to another room/hostel under special circumstances. Reasonable time will be provided for the residents to move their luggage into the new room or hostel.
- 2.4. The Institute reserves the right to lock or open the lock of any room, if necessary, in special circumstances. In such cases, in the absence of the resident, the personal belongings of the student will be listed and kept in custody of the hostel In-charge.

3. Living in the Hostel

- 3.1. Residents are expected to keep their rooms and surroundings clean.
- 3.2. Residents should observe economy in the use of electricity and water. They are required to turn off the lights and fans when they leave their rooms, common rooms, etc. They should keep all appliances switched off when not in use.
- 3.3. Any resident going out of campus overnight is required to make an entry in the register kept for the purpose in the hostel.
- 3.4. Institute authorities, especially the Wardens and the In-charges, reserve the right to make surprise checks in the student rooms at any time. Such checks will be duly authorized by a competent authority. Security may also check bags if required. Residents are expected to cooperate with them.
- 3.5. Residents should use only specified places/designated student notice boards to put any notices, posters etc.
- 3.6. Students are permitted to use bicycles in campus. Motorized vehicles are discouraged. Explicit permission is required from the Wardens to keep motorized vehicles. Residents should park their vehicle only at designated places.

4. Code of Conduct

- 4.1. Residents are expected to maintain a peaceful atmosphere and not cause any inconvenience to others.
- 4.2. Cross entry is not permitted in hostels. Boys are not permitted to enter Girls' Hostel and vice versa.
- 4.3. The following activities are NOT permitted in the hostels:
 - a) Storage and consumption of alcohol or any kinds of liquor. Possession of empty liquor bottles, glasses, etc. is also not permitted.
 - b) Storage and consumption of narcotics, hard or soft drugs.
 - c) Smoking and storage of cigarettes, e-cigarettes, lighters, ash trays, hookah, tobacco, etc.
 - d) Ragging, bullying, harassing, eve teasing, physical assault, etc.
 - e) Keeping and watching pornographic material
 - f) Making derogatory/offensive remarks based on caste, gender, religion, etc.
 - g) Playing outdoor games (cricket, basketball, etc.) in rooms/corridors
 - h) Bursting crackers, playing colors on Holi in rooms/corridors
 - i) Any activity that causes nuisance to other hostel residents
- 4.4. Students are not allowed to keep or use the following in the rooms:
 - a) Personal TV, refrigerator, room heater, water heaters, etc.
 - b) Cooking appliances such as gas stoves, hot plates, ovens, toasters, coffee makers, etc.
 - c) Inflammable material
 - d) Weapons of any kind
- 4.5. Pets - dogs, cats, and other animals and birds are not allowed inside hostel buildings. Petting and feeding stray animals is discouraged inside hostel premises.
- 4.6. Residents should abide by all Institute rules/guidelines including **Campus General Rules** (https://intranet.iiit.ac.in/offices/static/files/Campus_General_Rules.pdf). Residents should ensure that they are familiar with all the rules/guidelines of the Institute.
- 4.7. Residents need to abide by the rules and laws of the land.

5. Health related information

- 5.1. Medical attention through out-patient services is provided to the residents through

consulting doctors specialized in Allopathic, Homeopathic, and Ayurvedic systems. Professional counsellors/psychologists and physiotherapist are also available. They make regular visits to the Arogya Center at fixed times. Visit schedules are posted on the noticeboard of Arogya Center.

- 5.2. A nurse is available 24X7 in the Arogya Center.
- 5.3. An ambulance is available to the residents in medical need. To use the ambulance service, residents should contact hostel In-charge during the day, and security in the night.
- 5.4. Residents are advised to report any chronic ailments to any of the consulting doctors and the respective hostel In-charge.

6. Protection of Personal and Hostel Property

- 6.1. Residents should protect their personal property. The Institute is NOT responsible for any loss of property of the residents. Residents should lock their rooms while they are outside the room. Residents are advised to close the door while sleeping.
- 6.2. Residents are advised not to keep valuable articles, gold/silver/diamond jewelry and large amounts of cash in the room. Important items like debit/credit cards should be kept safe.
- 6.3. Residents are personally responsible for the room keys, furniture and other fittings of the rooms allotted to them. Residents are collectively responsible for property put in common places. In case of any loss or damage, willful or by negligence, the concerned resident shall be liable to pay for repair/the cost of the items as may be decided by the hostel administration.
- 6.4. Residents are not allowed to shift any property (electric bulbs, fans, chairs, newspapers, bean bags, gym equipment, etc.) from the common hostel facilities to their rooms.
- 6.5. Residents are not allowed to shift any property from their rooms (beds, chairs, tables, etc.) to other rooms or common areas. This may be permitted for health reasons only by the Wardens in consultation with the Chair, Council of Wardens.

7. Vacating the Hostel

- 7.1. All residents are required to vacate the hostel on completion of the program and hand over the room along with furniture and fittings to the hostel administration. The student must also sign a vacating register. Those who fail to do so in time will be charged for overstaying as per prevalent rules. A "No dues certificate" from the hostel administration will be issued in a prescribed form.
- 7.2. Overstaying of students who have completed their program of study is not allowed. However, on merit of the case, on recommendation of the advisor, the Warden may grant special permission to a student to retain hostel accommodation after expiry of the term for a specific period subject to availability of accommodation. The hostel fees also may be different from regular fees.
- 7.3. Residents are required to vacate their rooms at the request of the hostel administration during vacations. Alternate storage facilities for luggage will be provided in such situations.
- 7.4. Hostel guests (workshop/conference participants) need to vacate hostels by the date specified for their stay or as and when deemed necessary by the hostel administration.
- 7.5. Hostel guests cannot be accommodated by a resident in his/her room, irrespective of the length of time of stay.
- 7.6. The hostel administration reserves the right to cancel hostel allotment at short notice in extraordinary circumstances.

8. Visitors

- 8.1. Parents and guardians are NOT permitted to stay in students' rooms.
- 8.2. The institute is not responsible for providing boarding facilities for parents or guardians. They are advised to find boarding outside the campus. However, a few guest rooms are available on a chargeable basis on the campus. A guest room should be booked at least one week in advance. Allotment of the room is subject to availability.
- 8.3. Parents and guardians are allowed to visit the residents during daytime only in the visitor's area.
- 8.4. Residents must receive couriers, food orders and parcels only at the hostel main gate.

For smooth running of the hostels, the hostel administration may modify the existing rules or form new rules whenever required.
