- Invited talks (Maximum seats allowed: 100)

4. Registration/AttendanceProcess:

- Registration is mandatory for each seminar.
- Please use the seminar portal (<http://web2py.iiit.ac.in/seminar>) to register for seminars well in advance. You need to **register at least 2 hours before** the scheduled starting time of the seminar.
- Each student must attend 5 seminars per semester to receive one seminar credit. Any extra attendance will NOT be forwarded to the next semester, and it will also NOT fetch you any extra credits.

- If a student misses a registered seminar, he/she will be given a negative attendance for that seminar. For each negative attendance, the student must attend an extra seminar (in addition to the required number of 5 seminars per semester) to complete the seminar requirements. If you are unable to attend a registered seminar due to unavoidable circumstances, you can **unregister at least 3 hours before** the scheduled starting time of the seminar to avoid negative attendance. To unregister, click on the "upcoming" tab in seminars and then click on the unregister button against the seminar's name.
- Attendance will be marked both at the start and end of each seminar. Only those registered and attended the seminar will be granted attendance.
- Students are not allowed to leave the seminar in between. Those leaving before the end of the seminar will be marked absent.
- A maximum of 60 students will be permitted (on a first-come, first-served basis) to register for an in-person seminar.
- Please reach the venue 10-15 minutes before the start of the seminar. Please maintain silence, discipline, and decorum in the seminar hall once the seminar begins.

5. Attendance will be counted for the period:

Monsoon: 1st July to December 31st

Spring: January 1st to June 30th

The revised policy applies from Monsoon 2022 onwards.
