

IIIT-H Brand Identity Guidelines

1. Introduction

Our brand is more than a logo — it's the expression of who we are, what we value, and how we present ourselves to the world. This guide ensures consistency and clarity across all visual and verbal communications for the International Institute of Information Technology, Hyderabad (IIIT Hyderabad).

2. Brand Name Usage

Consistency in naming reinforces recognition and trust.

Version	Usage Context	Example
Full Name	Formal and official documents, MoUs, certificates, legal references	International Institute of Information Technology, Hyderabad
Medium Version	General communications, press releases, brochures	IIIT Hyderabad
Short Version	Compact design spaces, social media, informal references	IIIT-H

Note: Never mix versions within the same communication. Always capitalize “IIIT Hyderabad” or “IIIT-H”.

3. Logo Usage

The logo represents our identity and must be used consistently.

Primary Logo:

- Use on white or light backgrounds.
- Maintain clear space equal to the height of the “I” in “IIIT”.
- Do not alter proportions, colors, or orientation.

Secondary/Reverse Logo:

- Use on dark or colored backgrounds.
- Maintain contrast for readability.

Minimum Size:

- Digital: 150 px width
- Print: 25 mm width
