

International Institute of Information Technology Hyderabad

TA/DA Rules and Guidelines

17th January 2018

Preamble:

Travel for academic, administrative, or outreach purposes is part of the larger role of the faculty, staff, and students. The institute earns every rupee through tuition fees paid by students or research funds earned by the faculty. Individuals should spend such funds as they would spend their own money, to facilitate the work comfortably and not as an entitlement to be claimed.
